Institute of the International Association for Research
and Testing in the Field of Textile Ecology

The company

**The Specialty Group
124-130 Cochranes Road
Moorabbin 3189
VIC Australia**

is granted authorization according to Oeko-Tex Standard 100 to use the Oeko-Tex mark, based on our test report **OE 05-339-1**

for the following articles:

Grey Enerfleece made of Wool/Protex M/Cotton

The results of the inspections made according to Oeko-Tex Standard 100, product class III have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products without direct contact to skin.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to EN 45 014, is obliged to use the Oeko-Tex mark only in conjunction with products that are conform with the sample initially tested.

This authorization is valid until December 22, 2006
