

REFLECT

PRODUCT CODE: 1036R

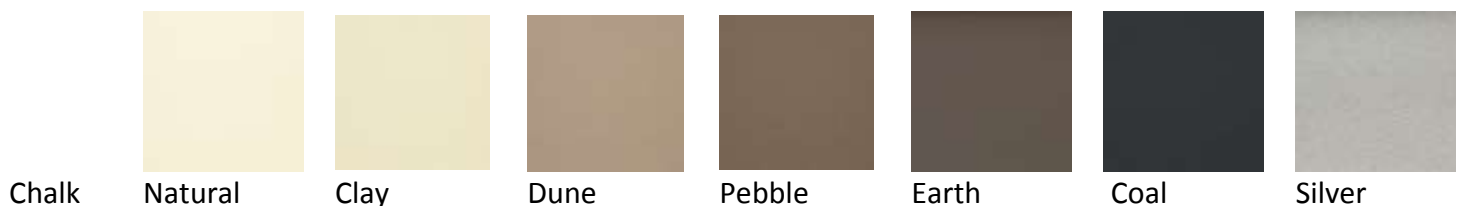

PRODUCT DESCRIPTION:

An attractive and innovative material with an acrylic pigmented colour paste coated 150D/2 plain weave material with a functional Aluminised backing for maximum solar reflectance for room temperature control. Suitable for roller blinds and panel glides. Reflect is ideal for commercial installations in high light exposure locations where the reflective backing helps minimize heat build-up inside a room by keeping UV rays out. A commercial interior suitable pallet of rich earthy colours in creams, greys and brown tones.

TECHNICAL PROPERTIES:

- 100% stabilised Polyester fabric with water based acrylic coating on face and water based aluminised reflective coating on back.
- 100% Blockout to AS-2663.3:1999
- Flame Resistance to BCA Class 2b-9a
- >60% Solar Reflectance (Silver side)
- Roller Width: 2800mm wide
- Colour Options: 8
- Light fastness: >7
- Thickness: 0.39mm
- Weight: 330 gsm
- Mould & Mildew Resistant
- PVC free

COLOUR RANGE: (See Reflect Swatch Book for exact colour references)

CARE INSTRUCTIONS:

Installed blinds should be regularly dusted or vacuumed as needed. Wipe with damp cloth using soapy warm water. Dry immediately after. Where commercial spot cleaners are used, first test an inconspicuous area to ensure suitability of cleaning agent.

WARRANTY:

Full 5 year warranty on material defects.
